

1 THE COURT ORDERS AS FOLLOWS:

2 **1. Service of the Complaint**

3 The plaintiff shall promptly serve the complaint in accordance with Fed. R. Civ.  
4 P. 4 and file the proofs of service pursuant to [Local Rule 5-3.1](#). Although Fed. R. Civ.  
5 P. 4(m) does not require the summons and complaint to be served for 120 days, the  
6 Court expects service much sooner. The Court will require plaintiffs to show good  
7 cause to extend the service deadline beyond 120 days.

8 **2. Presence of Lead Counsel**

9 Lead trial counsel shall attend any scheduling, pretrial, or settlement conference  
10 set by the Court. The Court does not entertain special appearances; only counsel of  
11 record may appear.

12 **3. Ex Parte Applications**

13 Ex parte applications are solely for extraordinary relief and should be used with  
14 discretion. *See Mission Power Engineering Co. v. Continental Casualty Co.*, 883 F.  
15 Supp. 488 (C.D. Cal. 1995). Ex parte applications that fail to conform to [Local Rule](#)  
16 [7-19 and 7-19.1](#), including a statement of opposing counsel's position, will not be  
17 considered except on a specific showing of good cause. Concurrently with service of  
18 the ex parte papers by electronic service, facsimile, or personal service, the moving  
19 party shall notify the opposition that opposing papers must be filed no later than  
20 twenty-four (24) hours (or one court day) following service. On the day the documents  
21 are e-filed, a conformed courtesy copy of moving, opposition, or notice of  
22 non-opposition papers are to be hand-delivered to the courtesy box on the 10th floor. If  
23 counsel do not intend to oppose the ex parte application, counsel must inform the  
24 Courtroom Deputy by telephone as soon as possible.

25 **4. Continuances or Extensions of Time**

26 This Court has a strong interest in keeping scheduled dates certain. Changes in  
27 dates are disfavored. Trial dates set by the Court are firm and will rarely be changed.  
28 Therefore, any request, whether by application or stipulation, to continue the date of any

1 matter before this Court **must** be supported by a sufficient basis that demonstrates good  
2 cause why the change in the date is essential. Without such compelling factual support,  
3 requests to continue dates set by this Court will not be approved. Counsel requesting a  
4 continuance must electronically file any application or stipulation and lodge a proposed  
5 order including a **detailed** declaration of the grounds for the requested continuance or  
6 extension of time. The Court will not consider any request that does not comply with  
7 the Local Rules and this Order. Proposed stipulations extending scheduling dates do  
8 not become effective unless and until this Court so orders. Counsel should avoid  
9 submitting requests for continuance less than at least five (5) court days prior to the  
10 expiration of the scheduled date.

#### 11 **5. TROs and Injunctions**

12 Parties seeking emergency or provisional relief shall comply with Fed. R. Civ. P.  
13 65 and [Local Rule 65](#). The Court will not rule on any application for such relief for at  
14 least twenty-four hours after the party subject to the requested order has been served,  
15 unless service is excused. Such party may file opposing or responding papers in the  
16 interim.

#### 17 **6. Cases Removed from State Court**

18 All documents filed in state court, including documents appended to the  
19 complaint, answers, and motions, must be refiled in this Court as a supplement to the  
20 notice of removal. *See* 28 U.S.C. § 1447(a) and (b). If the defendant has not yet  
21 answered or moved, the answer or responsive pleading filed in this Court must comply  
22 with the Federal Rules of Civil Procedure and the Local Rules. If, before the case was  
23 removed, a motion was pending in state court, it must be re-noticed in accordance with  
24 [Local Rule 7](#). Counsel shall file with their first appearance an original and two copies  
25 of a Notice of Interested Parties in accordance with [Local Rule 7.1](#).

26 If an action is removed to this Court that contains a form pleading, i.e., a  
27 pleading in which boxes are checked, the party or parties utilizing the form pleading  
28 must file an appropriate pleading with this Court within thirty (30) days of receipt of the

1 Notice of Removal. The appropriate pleading referred to must comply with the  
2 requirements of Fed. R. Civ. P. 7, 7.1, 8, 9, 10 and 11.

3 **7. Status of Fictitiously Named Defendants**

4 This Court intends to adhere to the following procedures where a matter is  
5 removed to this Court on diversity grounds with fictitiously named defendants. *See* 28  
6 U.S.C. §§ 1441(a) and 1447.

7 **a.** Plaintiff is normally expected to ascertain the identity of and serve any  
8 fictitiously named defendants within 120 days of the removal of the action to this Court.

9 **b.** If plaintiff believes (by reason of the necessity for discovery or otherwise)  
10 that fictitiously named defendants cannot be fully identified within the 120-day period,  
11 an ex parte application requesting permission to extend that period to effectuate service  
12 may be filed with this Court. Such application shall state the reasons therefore, and may  
13 be granted upon a showing of good cause. The ex parte application shall be served upon  
14 all appearing parties, and shall state that appearing parties may comment within seven  
15 (7) days of the filing of the ex parte application.

16 **c.** If plaintiff wants to substitute a defendant for one of the fictitiously  
17 named defendants, plaintiff shall first seek the consent of counsel for all defendants  
18 (and counsel for the fictitiously named party, if that party has separate counsel). If  
19 consent is withheld or denied, plaintiff should file a motion on regular notice. The  
20 motion and opposition should address whether the matter should thereafter be remanded  
21 to the superior court if diversity of citizenship is destroyed by the addition of the newly  
22 substituted party. *See* U.S.C. § 1447(c), (d).

23 **8. Discovery**

24 **a. Discovery Matters Referred to Magistrate Judge**

25 All discovery matters have been referred to the assigned United States Magistrate  
26 Judge, who will hear all discovery disputes. The Magistrate Judge's initials follow the  
27 District Judge's initials next to the case number. All discovery-related documents must  
28 include the words "DISCOVERY MATTER" in the caption to ensure proper routing.

1 Counsel are directed to contact the Magistrate Judge's courtroom deputy clerk to  
 2 schedule matters for hearing. Please deliver mandatory chambers copies of  
 3 discovery-related papers to the Magistrate Judge assigned to this case rather than to this  
 4 Court.

5 In accordance with 28 U.S.C. § 636(b)(1)(A), the Court will not reverse any order of the  
 6 Magistrate Judge unless it has been shown that the Magistrate Judge's order is clearly  
 7 erroneous or contrary to law.

8 Any party may file and serve a motion for review and reconsideration before this  
 9 Court. See [Local Rule 72-2](#). The moving party must file and serve the motion within  
 10 fourteen (14) days of service of a written ruling or within fourteen (14) days of an oral  
 11 ruling that the Magistrate Judge states will not be followed by a written ruling. The  
 12 motion must specify which portions of the ruling are clearly erroneous or contrary to  
 13 law and support the contention with points and authorities. Counsel shall deliver a  
 14 conformed copy of the moving papers and responses to the Magistrate Judge's  
 15 courtroom deputy clerk at the time of filing.

16 **b. Compliance with Fed. R. Civ. P. 26(a)**

17 Unless there is a likelihood that upon motion by a party the Court would order  
 18 that any or all discovery is premature, it is advisable for counsel to begin to conduct  
 19 discovery actively before the Scheduling Conference. At the very least, the parties shall  
 20 comply fully with the letter and spirit of Fed. R. Civ. P. 26(a) and thereby obtain and  
 21 produce most of what would be produced in the early stage of discovery, because at the  
 22 Scheduling Conference the Court will impose firm deadlines to complete discovery.

23 **9. Motions**

24 **a. Time for Filing and Hearing Motions**

25 Motions shall be filed in accordance with [Local Rule 7](#). This Court hears  
 26 motions on Mondays, beginning at 10:00 a.m. If Monday is a national holiday, motions  
 27 will be heard on the next Monday. It is not necessary to clear a hearing date with the  
 28

1 Court Clerk before filing a motion. If the motion date selected is not available, the  
2 Court will issue a minute order continuing the date. Counsel should check the Court's  
3 website for Closed Motion Dates.

4 **b. Pre-Filing Requirement To Meet and Confer**

5 Counsel must comply with [Local Rule 7-3](#), which requires counsel to engage in a  
6 pre-filing conference "to discuss thoroughly . . . the substance of the contemplated  
7 motion and any potential resolution." Counsel should discuss the issues to a sufficient  
8 degree that if a motion is still necessary, the briefing may be directed to those  
9 substantive issues requiring resolution by the Court. Counsel should resolve minor  
10 procedural or other non-substantive matters during the conference. The *in propria*  
11 *persona* status of one or more parties does not negate this requirement.

12 **c. Length and Format of Motion Papers**

13 Memoranda of points and authorities shall not exceed 25 pages and all footnotes  
14 shall be in the same type size as text. See [Local Rules 11-6 and 11-3.1.1](#). Only in rare  
15 instances and for good cause shown will the Court grant an application to extend these  
16 page limitations. No supplemental brief shall be filed without prior leave of Court.  
17 If documentary evidence in support of or in opposition to a motion exceeds 50 pages,  
18 the evidence must be separately bound and tabbed and include an index. If such  
19 evidence exceeds 200 pages, the documents shall be placed in a Slant D-Ring binder,  
20 with an index and with each item of evidence separated by a tab divider on the right  
21 side.

22 **d. Citations to Case Law**

23 Citations to case law must identify not only the case cited, but the specific page  
24 referenced.

**e. Citations to Other Sources**

Statutory references should identify with specificity the sections and subsections referenced. Citations to treatises, manuals, and other materials should include the volume, section, and pages being referenced.

**f. Oral Argument**

If the Court deems a matter appropriate for decision without oral argument, the Court will notify the parties in advance.

**10. Specific Motions**

**a. Motions Pursuant to Rule 12**

Many motions to dismiss or to strike can be avoided if the parties confer in good faith (as required by [Local Rule 7-3](#)), especially for perceived defects in a complaint, answer, or counterclaim that could be corrected by amendment. *See Chang v. Chen*, 80 F.3d 1293, 1296 (9th Cir. 1996) (where a motion to dismiss is granted, a district court should provide leave to amend unless it is clear that the complaint could not be saved by any amendment). Moreover, a party has the right to amend the complaint “once as a matter of course at any time before a responsive pleading is served.” Fed. R. Civ. P. 15(a). A Rule 12(b)(6) motion is not a responsive pleading and therefore plaintiff might have a right to amend. *See, e.g., St. Michael’s Convalescent Hospital v. California*, 643 F.2d 1369, 1374 (9th Cir. 1981). Even after a complaint has been amended or a responsive pleading has been served, the Federal Rules provide that leave to amend should be “freely given when justice so requires.” Fed. R. Civ. P. 15(a). The Ninth Circuit requires that this policy favoring amendment be applied with “extreme liberality.” *Morongo Band of Mission Indians v. Rose*, 893 F.2d 1074, 1079 (9th Cir. 1990).

These principles require that plaintiff’s counsel carefully evaluate defendant’s contentions as to the deficiencies in the complaint. In most instances, the moving party should agree to any amendment that would cure the defect.

**b. Motions to Amend**

All motions to amend pleadings shall: (1) state the effect of the amendment and (2) identify the page and line number(s) and wording of any proposed change or addition of material. The proposed amended pleading shall be serially numbered to differentiate it from previously amended pleadings.

In addition to the requirements of [Local Rule 15-1](#), counsel shall attach as an appendix to the moving papers a “redlined” version of the proposed amended pleading indicating all additions and deletions of material.

**c. Summary Judgment Motions**

Parties need not wait until the motion cutoff date to bring motions for summary judgment or partial summary judgment. Whenever possible, the party moving for summary judgment should provide more than the minimum twenty-eight (28) day notice for motions. *See* [Local Rule 6-1](#). The parties should prepare papers in a fashion that will assist the Court in absorbing the facts (e.g., generous use of tabs, tables of contents, headings, indices, etc.). The parties are to comply precisely with [Local Rules 56-1 through 56-4](#).

**i. Statements of Uncontroverted Facts and Genuine Issues**

The Statement of Uncontroverted Facts and Conclusions of Law ("Statement of Uncontroverted Facts"), as required by Local Rule 56-1 shall separately identify each claim for relief on which the moving party seeks summary judgment and the legal grounds for summary judgment. In a two-column format beneath the identified claim for relief, the left-hand column shall set forth, sequentially numbered, each allegedly uncontroverted material fact as to that claim for relief, and the right-hand column shall set forth the evidence that supports the factual statement. Citation to the supporting evidence shall be specific, including reference to the exhibit, page, and line number. The Statement of Uncontroverted Facts shall be formatted based on the following examples:

**Plaintiff's Claim for Relief for \_\_\_\_\_ is Barred by the Applicable Statute of Limitations. (Cite)**

1. (Moving party's first undisputed fact)	(Supporting evidence citation)
2. (Moving party's second undisputed fact)	(Supporting evidence citation)

The opposing party's statement of genuine issues must be in two columns and track the movant's separate statement exactly as prepared. The left-hand column must restate the allegedly undisputed fact and the alleged supporting evidence, and the right-hand column must state either that it is undisputed or disputed. The opposing party may dispute all or only a portion of the statement, but if disputing only a portion, it must clearly indicate what part is being disputed, followed by the opposing party's evidence controverting the fact. To demonstrate that a fact is disputed, the opposing party must briefly state why it disputes the moving party's asserted fact, cite to the relevant exhibit or other piece of evidence, and describe what it is in that exhibit or evidence that refutes the asserted fact. No legal argument should be set forth in this document.

The opposing party may submit additional material facts that bear on or relate to the issues raised by the movant, which shall follow the format described above for the moving party's separate statement. These additional facts shall continue in sequentially numbered paragraphs and shall set forth in the right hand column the evidence that supports that statement.

**ii. Supporting Evidence**

No party shall submit evidence other than the specific items of evidence or testimony necessary to support or controvert a proposed statement of undisputed fact. For example, entire deposition transcripts, entire sets of interrogatory responses, and documents that do not specifically support or controvert material in the separate statement shall not be submitted in opposition to a motion for summary judgment.

1 Evidence submitted in support of or in opposition to a motion should be  
2 submitted either by way of stipulation or as exhibits to declarations sufficient to  
3 authenticate the proffered evidence, and should not be attached to the memorandum of  
4 points and authorities. Documentary evidence as to which there is no stipulation  
5 regarding foundation must be accompanied by the testimony, either by declaration or  
6 properly authenticated deposition transcript, of a witness who can establish authenticity.

7 **iii. Objections to Evidence**

8 If a party disputes a fact based in whole or in part on an evidentiary objection,  
9 the ground of the objection should be succinctly stated in a separate statement of  
10 evidentiary objections in a two-column format. The left column should identify the  
11 items objected to (including page and line number if applicable) and the right column  
12 should set forth a concise objection (e.g., hearsay, lacks foundation, etc.) with a citation  
13 to the Federal Rules of Evidence or, where applicable, a case citation.

14 **11. Notice of This Order**

15 Plaintiff's counsel or plaintiff (if appearing on his or her own behalf) shall  
16 immediately serve this Order on all parties, including any new parties to the action. If  
17 this case came to the Court by a Petition for Removal, the removing defendant(s) shall  
18 serve this Order on all other parties.

19  
20 IT IS SO ORDERED.

21 DATED: March 7, 2011
